

CYCAF Ltd.

A one-stop solution for Digital media, Language services, Marketing & Distribution & Event management.

About CYCAF

CYCAF Ltd. is a dynamic creative media firm headquartered in Dhaka, Bangladesh, dedicated to empowering youth, entrepreneurs, and innovators through creativity and innovation. The company operates through its three specialized divisions — Bengali Natives, Cineries, and Chinta — each contributing to a diverse and comprehensive portfolio of services. Bengali Natives offers expert linguistic and localization solutions, while Cineries excels in media production, bringing compelling stories to life through film, video, and digital content. Chinta adds depth with its expertise in architecture, design, event management, and digital media strategies. Together, these divisions enable CYCAF to deliver tailored solutions that inspire, engage, and elevate brands, individuals, and organizations across industries.

CYCAF Ltd. - Innovating Creative Media

Vision & Mission

Our Vision

To redefine the creative landscape by offering unique and groundbreaking solutions across various industries.

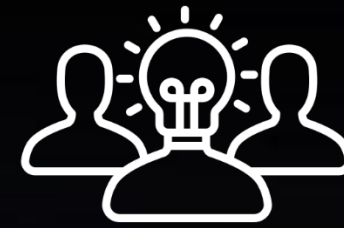

Our Mission

To empower young, talented individuals by providing a platform to showcase their skills and contribute to creative projects.

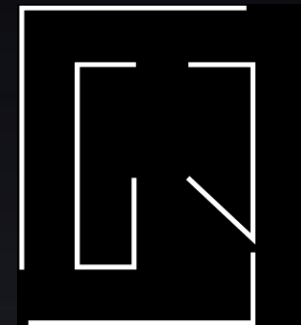

Concerns of CYCAF

Bengali Natives

Chinta

Cineries

Bengali Natives

Bengali Natives deliver high-quality language services in Bengali, Sylheti, and related dialects. Our mission is to help businesses and organizations communicate effectively with Bengali audiences worldwide. We stand out by keeping all work in-house, guaranteeing quality, accuracy, and direct engagement with our team of native linguists.
